My Dear little girl.

When Edna came home this noon and told me that you was sick it made me ~~feel~~ very sorry. I am afraid that you are working too hard. It is a big job to go to school and when you are not strong then I suppose you do chores for mama besides. Don't you? You need a lot of rest. Dr. Bailey told me that you was a very sick little girl with the flu. and it takes a long time to get strong again. I know that is what grown up folks say. and one must be awfully careful.

I saw in the Independent this morning that little Thelma Dann a little girl that went to the Chas. tent last year but one with you. had the flu. and died last Sunday and was buried yesterday. Over in Clinton her Papa lives over there and he is
